Dear Patients,

Per the states approval we are finally allowed to provide routine dental care! During these initial few weeks we ask for your patience as we endeavor to reschedule, first, those patients that were cancelled because of the shut-down. If you had an appointment between March 17 and May 31 know that we will be in contact to reschedule. If you have an upcoming appointment, or are in need of an appointment, we ask you to please wait an additional week that we may perform some "catch-up" work. Rest assured we will call to get you in. If you have a dental emergency though, please call.

We thank you for your patience during this unique time. Know that your appointment will be a little "different" as we go forward. If you have any questions regarding safety, of your upcoming appointment, please call. You may have to leave a message but know we will get back with you. Your confidence and safety is our utmost concern.

Dr. Riggs and Staff.
